

'xCHANGE' simulation

Day 53 of 100

INSEAD

TEST #2 ? X

Prendo's 'xCHANGE' simulation provides an intense, risk-free experience of leading a change and innovation project

The "100 days in 100 mins" simulation can be used in classroom, online, teambuilding and assessment events

Developed with Professors from INSEAD and MIT, it is used in various contexts, including:

- change management
- making innovation happen
- working in effective ('x') teams
- influencing strategies

WHO FOR

anyone working in change or innovation contexts, including:

- change managers & teams
- innovation leaders & teams
- general managers
- project leaders & teams

KEY OUTCOMES

participants gain a number of insights about:

- how to make organisational change happen
- what makes change agents and teams effective
- how to develop effective influencing strategies
- how to use formal and informal networks
- politics and organisational culture

LOGISTICS

- the simulation workshop can be run with anything from 8 to 80 participants, and within a 2 to 4 hour timeframe
- it can be run with teams in one classroom, or separate rooms; or in online events with remote participants
- each team needs a computer
